Core Competencies

MacGyver Solutions is a consulting company that focuses on improving supply chain efficiencies within fragmented industries. Expertise in process development, product knowledge and information technology have allowed for substantial improvement over systems in operation prior to our engagement.

- ◆ Understanding the mission of the Special Operations Soldier and developing solutions that work in the field and can be supported with COTS equipment.
- ◆ Ability to Listen to the Customer and develop solutions unique to operations.
- ◆ Authorized Distributor for RP StrikeRazor™ and Strike X3 family of products.
- ◆ Veteran Institute for Procurement Graduate

Past Performance

- Advised multiple manufacturers and suppliers on LTATV platform and supply chain requirements.
- Developed Web based quote system that reduced Prime vendor workload by greater than 50% on LTATV parts quotes/orders.
- Actively support 24/7 telephone / email support for LTATV at www.MilitaryAtvParts.com

Differentiators

- Background as a Special Forces Communications Sergeant (18E4PD9) provides better perspective on what customer needs.
- Executive experience as CFO, CEO, CIO and COO provide knowledge needed.
- Higher education of MBA and undergraduate in accounting provide expertise
- Service Disabled Veteran Owned Business

Company Information
