2013 COMMANDER™—GENUINE ACCESSORIES

GEAR RAIL
Stationary rail system specially designed for your side-by-side vehicle. Multiple mounting options for the Can-Am accessories by Kolpin line-up like the Gear Grips, Fuel Packs, Gun Boot 6.0 Impact and more.

REAR WINDOW NET
Sharp look, easy installation.

LIGHT RACK
Made of rugged aluminum with a textured black finish. Essential protection for your accessory lighting systems. Fully integrated. Can be mounted directly on the roll cage and fits the Sport Roof.

SPORT ROOF
Ultimate protection, style and integration. Easy to install and remove.

HALF WINDSHIELD
Designed for protection from wind and debris as well as optical clarity while riding. Quick-attach brackets for easy and tool-less installation.

RT40 WINCH KIT
Capable of 4000 lb (1,814 kg) pulling strength.

LIGHTS
A wide range of lights can be integrated on your Commander to provide you with incomparable long range illumination: HID lights, halogen lights or combination of both.

UNDERBELLY PROTECTION
Aluminum plates made with high strength 5052 H32 aluminum and plastic deflector to protect your frame from the unexpected — a must-have for rugged terrains.

FRONT ACCESSORY BAR
Allows installation of front rack and front bumper lights (sold separately) when vehicle is not equipped with front XT Bumper.

WINTER ACCESSORIES
Enjoy your Can-Am side-by-side all year long thanks to our extensive selection of winter accessories. It includes our Super Duty Plow with its new hydraulic angling kit to make light of heavy chores as well as our full range of windshields and roofs.

HUNTING ACCESSORIES
When hunting season starts, you need to be ready with the right accessories specifically designed for your hunting trips such as our gun boot with mount, part of the Can-Am accessories by Kolpin collection. Make sure your camouflage is perfect with our complete choice of clothing and accessories that match your vehicle.
